

CIS NEWSLETTER 2/2010

I. NEWS IN CIS COUNTRIES

Russia-Belarus-Kazachstan

▪ **Customs Union**

- Effective from July 7, 2010
- No customs controls at the Russian-Belarusian border from July 1, 2010; and at the Russian-Kazakhstani border from July 1, 2011
- Single Customs territory and common currency launch planned for 1/1/2012
- barriers: requirements of Russia on preservation of several non-tariff as well as non-tariff barriers for protection of domestic industries

Belarus

▪ **Faster customs clearance for trucks**

- Electronic pre-advance of customs data at 18 customs controls for transports within Customs Union to and from Belarus, as well as transits via Belarus to Kazakhstan and Russia. Driver will receive ID number prior to arrival at the border enabling immediate clearance.

▪ **Kozlovici border terminal expansion**

- New customs terminal Kozlovici-2 on highway M1/E30, close to Brest (Berlin – Warsaw – Minsk – Moscow)
- Handling capacity increase from 2000 to 4000 trucks in both direction daily.

Ukraine

▪ **Customs clearance process simplification**

- list of active exporters split into "white group" (no customs controls at the borders applicable) and "green group" (checked only randomly);
- „White“-Kryukovskij Vahonobudivitenyj Zavod, DniproSpetsstal or Myronivskij Khliprodukt.

▪ **Decrease in production of steel in Ukrainian factories**

Russia 

▪ **Increase in overweight surcharges for road transport**

- "compensation fees" implemented- penalties for exceeding weight limits and axles loads;
- 1035 RUB (24EUR) per 100 km for trucks with total allowed weight from 20 to 25 tons up to 3255 RUB (74EUR) per 100km for trucks with weight from 45 tons to 50tons. "Compensation payments" for trucks over 50 tons will be handled individually.
- Trucks with payload of more than 40 tons might not require any special permits for heavy transports- planned for future
